

Material Properties and Dimensions

Description

Western Excelsior manufactures a full line of Rolled Erosion Control Products (RECPs). Excel S-2 temporary Erosion Control Blanket is composed of a 100% machine produced High Altitude Rocky Mountain Aspen Excelsior matrix mechanically (stitch) bound on two inch centers between two photodegradable, synthetic nets. The excelsior matrix consists of curled, machine produced fibers with greater than eighty percent longer than six inches. Excel S-2 blanket is intended for use in channels or slopes requiring erosion protection for approximately eighteen to twenty-four months and is available in natural color or dyed green. Actual field longevity is dependent on soil and climatic conditions.

Specifications

Each roll of EXCEL S-2 is manufactured under Western Excelsior's Quality Assurance Program to ensure a continuous distribution of fibers and consistent thickness. Verified values are provided in Table 1 and product characteristics are provided in Tables 2 and 3. Values provided in Tables 1, 2 and 3 represent expected values at the time of manufacture. Installation instructions and performance data are available from Western Excelsior's Technical Support Division.

Tested Property	Test Method	Value	Units
Tensile Strength	ASTM D6818	10 (MD), 7.5 (TD)	lb/in
Elongation	ASTM D6818	15 (MD), 11 (TD)	%
Mass per Unit Area	ASTM D6475	11.5	oz/yd ²
Thickness	ASTM D6525	12.0	mm
Light Penetration	ASTM D6567	28	% open
Water Absorption	ASTM D1117	275	%

Top Net	Synthetic Photo-degradable
Bottom Net	Synthetic Photo-degradable
Top Net Opening	1.00 in x 0.75 in (Nominal)
Bottom Net Opening	1.00 in x 0.75 in (Nominal)

Style	Narrow	Wide
Roll Width	4 ft	8 ft
Roll Length	180 ft	90 ft
Coverage	80 yd ²	80 yd ²
Roll Weight	65 lbs	65 lbs

Document # WE_EXCEL_S2_SPEC. This document has been developed to provide the characteristic properties of the product described. For questions, to request performance data or installation recommendations, contact Western Excelsior at 800-967-4009 or wexcotech@westernexcelsior.com. Updated 02/10.
